

Victory Biker Church Patch Protocol

Name patches are separated from one another 1/8" to 1/4"
VBC and Flag patches should be between 1/2" to 1" above top name patch depending upon vest cut.

Victory Biker Church Back Patch is centered horizontally the tip of the Cross/T is placed 5 1/2" to 6" below top of collar line. Depending on vest cut and design.

State abbreviation patch goes to the left of the main patch directly across from the B/C patch.

The top left corner of the B/C patch is to be sewn on the right side of the back patch 3/4" below the mid-wing indent. As shown
